EXECUTIVE REPORT

SCARBOROUGH CAMPUS STUDENTS’ UNION LOCAL 99, CANADIAN FEDERATION OF STUDENTS

FRIDAY, JULY 12, 2013 | 5:00PM | UTSC STUDENT CENTRE, SL-232
SERVICES & OPERATIONS
**Rex’s Den**
In line with expanding our partnership both within UTSC and to external parties, Rex’s Den held its first Somersby Patio Party on the 20th of June in collaboration with the popular campus band Organized Sound and Somersby Canada. This event was yet another success with a full patio to enjoy the live music and great specials.

Following our continuous improvement strategy, a data analysis will be conducted based on last year’s events, sales and costs to ensure that Rex’s will be prepared and learn from the trends that came with increased event booking demand, longer opening hours and programming feedback.

The restaurant will continue offering new daily specials for the rest of July. (be sure not to miss out - Stay tuned to the Rex's social media).

**Board of Directors Continuity**
From June 21st–23rd, 2013 the board of directors held its continuity retreat to learn about the SCSU and the various initiatives and projects planned for the year. It was an extremely productive and successful meeting. We worked together to create new avenues for directors to be directly engaged with projects that will help shape the direction of the Union’s work in a progressive manner.

**Film Shoot**
During July 2nd and 3rd, the Alumni Lounge (in the Student Centre) was utilized as a production set for an upcoming television commercial. This is an additional way to bring revenue into SCSU and we are hoping to offer our space for other production sets throughout the future.

**Get Started**
The SCSU executive has been a part of the Get Started days, the annual academic orientation at UTSC, for the past two months. Tabling at Get Started has allowed incoming first year students to interact with the executives and learn more about their students union. Alongside the Orientation table, the SCSU has been able to educate our new membership about the events, services and campaigns we run. We look forward to more opportunities to connect with students. The Union prioritizes any student success initiatives and we will continue to work in partnership with departments across campus to outreach to our membership.

**DSAs Restructuring**
The Vice-President Academics & University Affairs has met with several DSAs and is in the process of meeting with more. These meetings have been successful in revealing new avenues of collaboration between the Union and DSAS for year-long programming. These meetings underscore the value of building connections between student advocacy groups at all levels and the SCSU is excited to continue this work. Twelve DSAs have been confirmed for
their participation in Orientation presentations. The first DSA Council meeting of the year has been tentatively scheduled for mid-August. If there are any questions about DSAs, please contact Ranziba Nehrin, Vice-President Academics and University Affairs at academics@scsu.ca.

**CFS-O Skills Symposium**
From June 14th–16th, the SCSU attend the Canadian Federation of Students’ Skills Symposium. This symposium provided great skill building opportunities to fifteen of our executives, staff, directors, and volunteers. There were many informative and exciting workshops over the three days to attend and also a great networking opportunity to meet students from all over the province. From running events to planning a meeting, the SCSU team was equipped with the skills needed to make sure the upcoming year is successful.

**Student Society Lunch**
On Thursday, June 30th, the SCSU executives met at Rex’s Den Lab with the student societies at UTSC for a meet-and-greet over an informal lunch. The Women’s Centre, the Scarborough Campus Residence Council, Fusion Radio, the Scarborough College Athletics Association (SCAA) and The Underground were present. Executive representatives from each Student Society informally discussed general year-long plans, possible collaborations, and avenues in which we can collectively support each other. This was great start to an ongoing conversation to discuss the ways in which student groups can work together successfully in the year upcoming.

**Convocation**
The SCSU was present at the convocation ceremonies in June for graduating students. Executives and staff were on hand to congratulate the new graduates and give out the composite photos to students who used the graduation photo service from the SCSU. The event was a great success and we appreciated the opportunity to connect with the newly-minted alumni of the UTSC community.
CAMPAIGNS & ADVOCACY
**UTSC Senior Executives Meeting**

On June 26th, the SCSU executive committee and the UTSC senior executive committee had their annual orientation. In this meeting, we discussed avenues for collaboration in our projects and took a look at initiatives that would allow us to work closer together with the administration to achieve success. This was an opportunity for the executives to present issues that our members communicate to us frequently, such as space and transit. This meeting was a great way to build relationships in order to get more work done throughout the year.

**GSAS**

On July 4th, the Vice-President Academics & University Affairs and the President met with the President of the Graduate Students Association at Scarborough (GSAS) to talk about projects we could work on together throughout the year. We also talked about initiatives GSAS could collaborate on with the SCSU to engage more undergraduate students. We are hoping to bring this up at the next DSA council meeting and engage DSAs to promote to their respective departments as well.

**Student Space Committee Meeting**

On June 4th, the President and the Vice-President Academics and University Affairs were present at the Student Space Committee Meeting. A report that was presented about the new environmental science and chemistry building (ESCB) contained details about the relocation of the Department of Physical and Environmental Sciences (DPES). The Union brought up concerns about multi-faith space in the plans for the North campus expansion, the need for a copy centre for student printing and photocopying needs, as well as the need for designated departmental student association space. In the time the ESCB building’s completion, the portables by the Science Research Building will also be torn down. This will result in a net loss of spaces, including those of the philosophy and psychology and neuroscience DSAs. The SCSU will continue to work on behalf of student groups to secure space and representation on these decision-making committees. The committee is aiming to have a report ready for the Fall semester with recommendations for student space. If there are any questions about the student space committee, please contact Ranziba Nehrin, Vice-President Academics and University Affairs at academics@scsu.ca.

**Study Space Working Group**

On June 13th, the President and the Vice-President Academics and University Affairs attended the study space working group meeting. The meeting included discussions and updates regarding the BV Study Spaces, which are looking at a completion date of late October. The group also discussed the expansion of multifunctional space on campus, such as the R-Wing flat programmable space, to be used for student study spaces. A pilot program is being launched during the summer exam period. The Library reported more incidents of student sleepovers in library group study rooms. The Union is committed to ensuring student needs are met and will consider options to provide safe sleeping spaces.
for students. Other issues discussed included the performance of the quiet monitors as well as the extension of the quiet library policy into the BV spaces. If there are any questions about the work of the Study Space Working Group, please contact Ranziba Nehrin, Vice-President Academics and University Affairs at academics@scsu.ca.

**AA&CC Meeting**
On Tuesday, June 25th, the President and the Vice-President Academics & University Affairs attended a meeting with Academic Advising & Career Centre (AA&CC) to discuss avenues for collaboration for the year upcoming. AA&CC shared their calendar for programming and discussions focused on student participation in the various seminar series’ run by the centre. The Union brought up AA&CC’s participation in the Orientation activities as well as the possibility for collaborative Fall Reading Week programming for students. AA&CC will also be invited to present at a future DSA Council meeting. Future collaborations will include developing customized workshops, hosting networking events and panels, and collaborating together on employment and volunteer fairs. The SCSU appreciates the value of working together with student organizations and academic departments to build successful student programming throughout the year.

**Governing Council**
Thursday, June 28th, 2013, marked the last Governing Council meeting of this cycle. The agenda for the meeting included an update to the list of representative campus groups as governed by the procedures for non-members, such as the SCSU, to address Governing Council. The in-camera session also included the appointment of the 2013-2014 standing committee membership to the UTSC Campus Council. The President and the Vice-President University Affairs and Academics were in attendance. The next meeting of the Governing Council will be held on Thursday, September 12th, 2013. If there are any questions about issues related to Governing Council, please contact Ranziba Nehrin, Vice-President Academics and University Affairs at academics@scsu.ca.

**Tri-Campus Governance Coalition**
On June 18th, the Vice-President Academics and University Affairs attended the UofT Tri-Campus Governance Coalition. Agenda items included the Governing Council statement on education, student union autonomy, the new Presidential and Provostial appointments for U of T senior administration and the future work of the coalition. The SCSU spoke about issues regarding Access Copyright and the Transitional Year Programme (TYP). Action items from the meeting consisted of circulating materials to the student body regarding the issues ongoing with Access Copyright and writing letters of support for TYP. The Union recognizes the importance of supporting access to education programs and will continue to work to support coalition partners in their initiatives to dismantle barriers to post secondary education. For any questions regarding the work of the tri-campus
governance coalition, please contact, Ranziba Nehrin, Vice-President Academics & University Affairs, at academics@scsu.ca.

Access Copyright
On June 7th, UoT declared that it is not renewing its contract with Access Copyright, but is interested in continuing negotiation talks. Access Copyright has accepted this offer and will be commencing conversations with UoT this Fall. The SCSU believes that students should not have to pay for academic materials that should be covered under our tuition fees. In the future, along with educational material circulating to the membership, U of T professor Ariel Katz has agreed to give a public lecture on Access Copyright and its license with universities. This lecture will also be posted online for wider access to students. The Union will continue to advocate for student rights. For more information about the Access Copyright issue, please contact, Ranziba Nehrin, Vice-President Academics & University Affairs, at academics@scsu.ca.

Student Union/Labour Union Symposium
On June 4th, SCSU representatives attended the Student Union/Labour Union Symposium. It was an event that was co-hosted by the Canadian Federation of Students and the Toronto and York Region Labour Council. The symposium stressed the need for student worker solidarity, as well as building the basis for local campus labour unions and student unions to work together. The symposium began with an exploration of the realities that students and workers are facing and moved onto building a model for all of the unions to better work together.

Sexual and Gender Diversity Office
On Tuesday June 11th, the Vice-President Equity met with Scott Clarke, the Program Coordinator of the Sexuality and Gender Diversity Office (SGDO) to discuss the ways in which we can work to engage students who identify within the LGBT community and allies on our campus. The Union is starting a conversation about safely engaging students who identity as LGBT but don’t want to ‘out’ themselves by joining an open organization. These meetings aim to ensure equal access to resources, referrals and inclusive and anti-oppressive spaces outside of campus for these students. The SCSU is committed to supporting the LGBT community at UTSC in any capacity possible. The SGDO office has offered to be a resource in providing free LGBT allyship training for the campus community. Discussions have included offering these sessions to our student club executives, our student body and to members of the larger UTSC community.

Accessibility Services
On Monday, June 17th, the President and the Vice-President Equity met with Tina Doyle, the director of Accessibility Services at UTSC, to discuss the ways in which we can work to challenge ableism on our campus, as well as increase accommodations for the needs of students with disabilities at UTSC. The Union
recognizes the value in utilizing an intersectional framework to create awareness about the issue. In conjunction with various partners, we aim to challenge ableism on campus through the creation of accessible and inclusive spaces at UTSC, through the mobilization of student groups to adopt accessibility as central to their event planning, and to raise a larger awareness about the issue through outreach to our membership. For more information about the fight to challenge ableism, please contact Yusra Khogali, Vice-President Equity, at equity@scsu.ca.

**Anti-Graffiti Campaign Revamped**

On Tuesday, July 9th, the SCSU reopened discussion on an outdated anti-graffiti campaign – a collaborative effort of the SCSU, Campus Police and the University that is primarily aimed to end hate speech and vandalism on campus. The Union recognizes that the current form of this campaign is problematic because it defines graffiti through limiting and negative stereotypes and students who identify themselves within this movement may feel disenfranchised. We are in discussion to re-develop the campaign to provide the context for graffiti as fundamentally an art form of resistance against systemic and institutional oppression; while at the same time recognizing that graffiti can be misused as a form of vandalism that can cost the University a lot of money in repairs, as well as used to propagate hate speech that can make students on our campus feel unsafe. The Union will consult with its membership moving forward with this project to ensure that students’ ideas are being involved in the development of this revamped campaign. For more information about anti-graffiti campaign, please contact Yusra Khogali, Vice-President Equity, at equity@scsu.ca.

**Sustainability Office Tree Planting**

The SCSU was a part of the Sustainability Office’s tree planting session in the North Campus Area. The office, in partnership with Evergreen, provided the trees for students to plant. The SCSU supports the sustainability initiatives at UTSC and we were excited to support the program and the students involved. This year, we will be focusing on growing sustainability through everyday practices on this campus. To learn more about our initiatives, please contact Tahsin Chowdhury, Vice-President Campus Life, at campuslife@scsu.ca
EVENTS & PROGRAMMING
**Pride**
Throughout the last two months, the SCSU has been working closely with SC:OUT, the Sexual and Gender Diversity Office (SGDO) and CFS-Ontario in creating programming for students during Pride week. In partnership with SC:OUT, we had a T-shirt decorating event for the Pride March. The Union also worked with other GTA locals and put together materials to hand out during the March. For the first time, the UofT students’ unions had a float during the Pride March – it was highly successful and we had a large Scarborough presence during the march.

**Queer Orientation Planning**
On Thursday July 11th, the Vice-President Equity will attend the first meeting of the organizing committee for this year’s UofT Queer Orientation (QO). This year, Queer Orientation will again take place at the end of September. Over the past two months, the SGDO has been talking with students and groups about slightly re-formatting the ways in which they organize QO. The SCSU is excited to provide more opportunities for student groups and organizations on campus to engage their members in the planning process for QO. We are working towards developing a strong and diverse set of programming across all U of T campuses to support LGBTQ community initiatives.

**Ignite Your Legacy – SCSU 2013 Orientation**
Orientation planning is well underway. The Senior Leader (SL) team as well as the Orientation Planning Committee has continued to meet regularly to discuss and finalize Orientation events, schedules, and several other logistical details. In the last week of June, Group Leader (GL) interviews were held with phenomenal success. The SLs, led by the GL Supervisors team, put together a comprehensive interview package. Of over 300 applicants, the SCSU welcomed 250 amazing GLs into our team. Logistics Leader interviews have also taken place. We are excited to be looking ahead to one of the most exciting and successful events all year with such a strong, supportive team. For more information, please contact Tahsin Chowdhury, Vice-President Campus Life, at campuslife@scsu.ca.

**ASO Event Planning**
ARTSIDEOUT planning is underway and the SCSU is working in collaboration with Arts Events Programming (AEP) to help the annual arts showcase come to life at UTSC. The Union is sponsoring the event and this year, is excited to make ASO a tri-campus initiative, by having more involvement from UTM and the UTSG. On October 4th, the campus will be transformed into an interactive art display, where students will be able to showcase their talents to other students and staff and we are excited to support this initiative.

**AB:** Let’s look at the referendum question.

**GA:** Needs to be a refocus on how people think about accessibility. Start a group and have an accessibility audit.

**SW:** Let’s leave some funds in there as a conditional offer so for the next year it’ll be good to go.

**AB:** Doesn’t make sense to keep some funds, either all or nothing.

**AL:** What about keeping the funds for this year and then removing it next year?

**GA:** It’s all about principle; the University should have accessibility as a priority.

The racialized students’ collective will start meeting the first week of July. On June 18 & 19th there will be a pride performance 7-10pm that would be great for students and executives to attend. Khogali would also like to revisit the Multi-faith space booking policy on a first-come, first-serve basis; will take a look into other student union’s policies. Will remind BAC and Women’s Centre to send in their content for the handbook. Identified the University’s anti-graffiti campaign somewhat problematic, will connect with Campus Police and Gary Pitcher.

Date: 2013 *month xx* – BOD  
Motion: Health and Dental Plan

Preamble  
The Scarborough Campus Students' Union Health & Dental Plan was introduced by a student referendum. The result of this referendum made it mandatory for all future students to participate unless they have coverage under an alternative private/government plan in addition to their basic provincial plan.  

It is designed to cover expenses not paid by the basic provincial plan. The policies outlined below were created to provide students with a clear understanding of how the plans will be administered, and to guide future elected student representatives when making decisions affecting plan structure. These policies will be available through the Union website and offices.

Eligibility  
The Scarborough Campus Students' Union Health and Dental Plans are offered to all full-time undergraduate students who have paid the Union incidental fees with their tuition fees. Students are not required to complete an enrolment process as this is done automatically each year following the opt-out/enrolment period.

Eligibility Restrictions

a. Students who register and remain a full-time undergraduate during the fall and winter sessions are automatically eligible for coverage from September 1st until August 31st of that year.

b. Students who register in classes in the winter session only and who were not enrolled during the previous fall session are automatically eligible for coverage from January 1st until August 31st of that year.

c. Students who register in classes in the fall session only are eligible for coverage from September 1st until December 31st of that year.

d. Students who initially register as a full-time undergraduate in the fall or winter sessions, but who become part-time by dropping courses before the deadline to receive a 100% refund of the incidental fees are not eligible for coverage.

e. Students who cancel their academic registration during the period in which fees are refunded 50% will be removed from the plan henceforth. In the event that a student has opted out of the plans prior to canceling their registration, such students will be refunded only the amount of premium (50%) collected by the University of Toronto on behalf of the Union.

f. Co-op students who are currently on a work term are considered by the University of Toronto to be full-time for academic purposes, but are not charged incidental fees. Therefore, they will not be automatically enrolled in the plans. Co-op students on a work term, however, will have the option of self-enrolling provided this is done prior to the opt-out/enrolment deadline. In order to self-enroll, affected students will also have to pay the Union society fees.

g. Co-op students enrolled in a full-time course load will automatically be enrolled in the plans for the duration of that session.

Confidentiality  
All student information provided to the Union by the University of Toronto will be used solely for its intended purpose and will be accessible only by the Health and Dental Plan Administrator and Executive Director.
Consent
a. The Union is not responsible to the parents/guardians of full-time undergraduate students attending the University of Toronto. While staff is happy to assist parents/guardians with general inquiries about the benefits, costs, deadlines, and claim forms, we are not obligated to answer specific questions about a specific student’s claims history, opt-out record, policy identification codes, or student records.

b. Consent to provide information to parents/guardians may be granted under extenuating or health-related circumstances, however, such consent must be submitted in writing to the Health and Dental Plan Administrator who, in conjunction with representatives of the University of Toronto, will strive to reach a conclusion that is acceptable to all parties involved.

Opting Out
a. Any full-time undergraduate student who has extended health coverage may opt-out of the health plan during the pre-determined period designated by the Union. Students must provide proof of alternative extended health coverage in order for their opt-out to be processed. Please note that OHIP and UHIP are not considered extended health plans, but rather mandatory and basic health plans.

b. Any full-time undergraduate student who has extended dental coverage may opt-out of the dental plan during the pre-determined period designated by the Union. Students must provide proof of alternative extended dental coverage in order for their opt-out to be processed.

Deadlines
a. All students must opt-out of, or enroll into, the health and/or dental plans during the pre-determined periods specified by the Union. The Union will make every effort to publicize the deadlines. There are no exceptions to these deadlines except for medical or family emergencies, extenuating circumstances, or administrative errors. Students who believe they have a valid excuse for missing the opt-out/enrolment deadline must submit a letter explaining the circumstances with supporting documentation to the Health and Dental Plan Administrator.

b. All decisions regarding late opt-out applications will be made on a case-by-case basis. Only students who have paid the Union’s society fees and who have not attempted to file any claims will be considered.

c. All decisions regarding late opt-out applications will be made by the Health and Dental Plan Administrator.

Re-Enrolment
a. Students who lose their alternative coverage will be allowed to join the health and dental plans within thirty (30) days of losing their alternative coverage.

b. Affected students must submit a letter from the previous insurer/employer/administrator of the plan stating when and why their insurance was terminated. The letter should also include their student number and contact information.

c. Please note that re-enrolment into only one of either the health or dental plan is not possible. Students requesting re-enrolment will be charged for both the health and dental plan. The coverage will take effect on the day the alternative coverage was terminated.

General Information
a. The Union’s Health and Dental Plan Administrator, with the assistance of other Union staff, shall be responsible for ensuring an ample supply of claim forms, information booklets, and web updates are available and posted throughout UTSC.
b. Membership lists provided by the University are frequently incomplete due to students changing their full-time/part-time status and academic appeals. If, as a result of an incomplete membership list, a student who should have been enrolled in the plan is not enrolled, the Union shall attempt to accommodate the student provided that the Union can confirm the appropriate fees were paid.

Insurance Brokers
Should the Union employ the services of an insurance broker, any contract or Letter of Appointment between the Union and a broker must be reviewed annually.

The Union shall retain the right to choose not to interview other brokers when renewing a contract, providing that the submission of proposals are required and reviewed.

Annual Report
The Vice-President Operations must provide a report on the status of the Members’ Health and Dental plan no later than August 1st of each year. This report should outline plan usage and premiums by monthly breakdown, and shall clearly indicate the value gained or lost by the contract during the preceding year.
Date: 2013 *month xx* – BOD
Motion: Mobile Phone Allowance

**Preamble**
It is important and expected that Executives of the Union are available throughout their term. With technological enhancements, it has become clear that mobile phones are essential in order to remain accessible to members and the Executive and staff of the Union. Executives, then, are essentially required to be in possession of a mobile device and utilise it for work purposes when out of the office. Subsequently, it is logical that the Union subsidise a portion of Executive mobile phone expenses on a monthly basis.

The Union will subsidise mobile device expenses for each Executive of the Union on a monthly basis up to a maximum of $50.00 CDN per month unless otherwise determined by the Board of Directors.
